Dear Sir/Madam:

Good day!

I would like to apply for a Canadian Visitor Visa for myself, **YOUR NAME**, and for my wife, **YOUR WIFE** and our Daughter **YOUR KIDS NAME**, to cover our intention to travel to your Country from March 15, 2023, to March 20, 2023.

We will be visiting from Buffalo, New York, crossing the land border through the peace bridge, mainly Hamilton and Toronto. The main purpose of our travel is tourism.

Over the past few years, we have been to several countries, including Australia, Singapore, France, Twice in Japan, The Philippines, South Korea, Taiwan and a dozen more. I returned to Malaysia after every trip, and I have NEVER overstayed a visa ever.

I want to inform you that my family and I have been granted a U.S. B1/B2 visa, which makes it much more convenient for us to take a trip together to Canada.

I assure you that we will return to Malaysia after our six-day visit. I have included my marriage certificates and my daughter's birth certificate in both translated English & original version together, as well as a copy of my recent six-month bank statement, tax returned documents, and travel history.

Although I have not included any flight reservations, we plan to visit Canada by land border using available transportation such as bus, train or uber from Buffalo. Rest assured that our visit will only last six days before we return home.

We trust that you will find everything in order and remain at your disposal for any further information you may need.

Thank you so much. Hoping for a favourable response

Sincerely,

XYZ
